Customers notice a clean lobby before they notice anything else about your business. They also notice a smudged glass door, an overflowing trash can or a restroom that has clearly been skipped. For Roanoke companies that want a professional first impression every single morning, The Happy Housekeepers offers a commercial cleaning service through its Corporate Clean division, which has been looking after local workplaces since 1986.

Corporate Clean, Built for Roanoke Businesses

Corporate Clean handles executive offices, general offices and medical facilities across the greater Roanoke area. Standard commercial tasks include dusting furniture and horizontal surfaces, vacuuming carpets, vacuuming and mopping hard-surface floors, removing trash, sanitizing bathrooms and phones, and dusting window coverings. Each contract is customized, so a small accounting office on Electric Road and a multi-suite professional building in downtown Roanoke get schedules and checklists that fit how they operate.

Scheduling is flexible enough for almost any business. Service can be booked daily, weekly, bi-monthly or monthly, and the company supplies all of the chemicals and equipment needed for the job. It can even help you arrange suppliers for paper products in restrooms and kitchens, which takes one more task off an office manager's list. Employees are trained by the company, and a supervisor is always on call if something needs attention.
