FAQ About Dumpster Rental Service

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 20-yard dumpster is usually sufficient, as it can handle debris like old cabinets, flooring, and drywall. The size needed may vary depending on the project scale, so consider estimating the volume of waste before renting.

How long can I keep a rented dumpster?

Most dumpster rental companies in Aurora, CO allow rentals for a week, but you can often extend the rental period for an additional fee. It's important to confirm the specific terms with your rental company to avoid any unexpected charges.

Are there items I can't throw in a dumpster?

Yes, certain items are prohibited in dumpsters, including hazardous materials like paints, chemicals, batteries, and appliances that contain refrigerants. Always check with your rental service for a comprehensive list of restricted items to avoid penalties.

How do I schedule a dumpster rental in Aurora, CO?

To schedule a dumpster rental in Aurora, CO, contact a local rental service via phone or their website. Provide details about your project, including the type and size of the dumpster needed, and your desired rental dates for a quote and availability.

Eco-Friendly Waste Disposal with Sterling Dumpster Rental

In addition to providing reliable dumpster rental services, Sterling Dumpster Rental is committed to sustainably responsible waste disposal. We work closely with regional recycling facilities to ensure that as much of your waste as possible is diverted from landfills. This not only helps reduce your ecological footprint but also contributes to the overall well-being of our Aurora community. By choosing our dumpster rental service near Aurora, you are making a conscious choice towards sustainability.
