Give Charming Elegance To Your Home Decorating With The Special

Give Charming Elegance To Your Home Decorating With The Special Wood Curtain RodsTo provide a complete wildlife touch to your home settings, wood curtain rods are the best decorating items. Not only the rods add to the beauty of the homes but they also hold the curtains in a unique way. It is because of the perfect fittings of the curtains in the wood curtain rods that the curtains flutter softly and gracefully to give a pleasing aura to the rooms. Technical specialties of wood curtain rods The wood curtain rods are made of walnut, teakwood, mahogany, oak or other hardwood that make them durable. The rods usually have a tobacco finish and the finials of the rods are available in either small or large sizes. The wood rods are available as either smooth rods or as fluted rods. While the smooth rods are usually of 1-3/8 diameters, the fluted rods are of 2 diameter. The rods in general are available in three different lengths of 4, 6 and 8. These are the curtain rods for normal sizes but if it is a non-standard window frame, then you cut down the rods to specific sizes and then use them accordingly. However, if you need longer than the normal length rods, then use pole connector screws to get the necessary length. Different types of wood curtain rodsThe wood curtain rods are available in different finishes like historic white, burnished gold, natural white, weathered white, honey maple, matte black, gold, warm oak, gold leaf, lacquered natural, pewter, cherry and piano white. You can choose one of these curtain rods that will best suit the style and furnishing of the rooms. Brackets in the curtain rods are very important, for they actually hold both the light and heavy curtains. The wood curtain rods are advantageous, as they allow the usage of different types of brackets like ring brackets, flat brackets, cup ring brackets, double ring brackets, centre support brackets, end caps, extension brackets and ceiling brackets. The wood curtain rods are truly durable and with their variety of designs they simply *Hose Bros hose solutions* give a different yet aesthetic touch to your home dcor ideas.
