- **Coin Flip:** Appears 4 times on the wheel.

- **Crazy Time:** Appears 1 time on the wheel.

The Magic of the Top Slot

Above the primary money wheel sits the **Top Slot**, a small two-reel slot maker that spins concurrently with the wheel.

1. **Reel 1** displays one of the betting alternatives (a number or a bonus game).
2. **Reel 2** displays a random multiplier (varying from 2x approximately 50x).

If the horizontal line in the Top Slot lines up a bet with a multiplier, that multiplier uses to that particular result for the upcoming spin. If the primary wheel arrive at that result, any wins for that round are improved by the multiplier. If a bonus round is activated with a Top Slot multiplier connected, the beginning multipliers inside the reward video game are quickly multiplied by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time depends on its four bonus games. Activating one of these rounds carries gamers from the main studio into a distinct increased reality mini-game.

1. Coin Flip

The most basic of the bonus rounds. A coin with a red side and a blue side is flipped by a mechanical arm.

- Before the flip, random multipliers are designated to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the getting involved gamers.
- If the multipliers are low, a "Rescue Flip" can in some cases be activated, providing gamers another possibility at greater rewards.

2. Money Hunt

This perk game includes a massive screen displaying 108 random multipliers hidden behind shooting gallery signs (like a cactus, a target, or a duck).

- Players use an on-screen crosshair to aim and contend one symbol before the timer goes out.
- As soon as time expires, all symbols reveal their concealed multipliers, and the gamer receives the multiplier behind their picked target. Every player gets to choose their own spot, suggesting various gamers can win various quantities.

3. Pachinko

Influenced by the conventional Japanese arcade video game, Pachinko features a radiant, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs till it lands in one of the multiplier zones at the bottom.
- If the puck lands on a "**Double**" worth, all multipliers at the bottom of the board double, and the puck is dropped once again, leading to possibly huge payouts.

4. Crazy Time

The ultimate perk round takes gamers behind a red door into a surreal, whimsical virtual world including an enormous, 64-segment wheel.

- Players should pick one of three flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever sector the selected flapper points to when the wheel stops is the reward granted.
- The wheel consists of **"Double"** and **"Triple"** segments. If a flapper arrive at one of these, all multipliers on the wheel double or triple, and the wheel is spun again. This is where the game's famous 20,000 x max multiplier can be attained.

Methods and Tips for Playing Crazy Time

While Crazy Time is fundamentally a video game of opportunity determined by a random number generator (RNG) and physical physics, gamers typically employ particular methods to manage their bankroll and tailor their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus heavily on wagering on **1** and **2**.
 - These numbers occupy most of the wheel, meaning they struck frequently.
 - This method will not yield over night fortunes, but it extends playtime and keeps the bankroll reasonably stable.
- **The Bonus Hunter Strategy:**
 - Place small bets solely on the four bonus rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Due to the fact that perk rounds appear on just 9 out of the 54 sectors, this technique requires patience and a resistant bankroll, as droughts can happen. However, it places the player to capture the most significant payouts when the bonus offers struck.
- **The Balanced Approach:**
 - Cover a mix of numbers and perk rounds. For example, putting little bets on numbers to maintain your balance while wagering on specific benefit video games to keep the excitement alive.

Best Practices for Bankroll Management

- **Set a Budget:** Decide just how much you want to spend before you start playing, and never chase losses.
- **Comprehend the RTP:** Keep in mind that number bets typically offer a higher RTP than perk bets, however benefit bets use significantly higher volatility and optimum win potential.
- **Enjoy the Entertainment:** Crazy Time is a live entertainment program most importantly. Treat any wagers as the expense of admission for an interactive program.
