What is the Big Bass Crash Game?

Unlike basic slot devices where gamers spin reels and await matching symbols, Big Bass Crash is a **multiplier-curve game** (often referred to merely as a "crash game").

In this format, players place a wager before a round starts. As soon as the round begins, a visual graphic takes off-- in this case, the brave angler speeding throughout the water in his boat. As the boat takes a trip further, an on-screen multiplier climbs up higher and greater, beginning at 1.00 x and in theory reaching infinity (though capped at a maximum win limit).
