Smaller, more intimate elopements have become increasingly popular, and Annie Paige Photography accommodates these condensed, personal celebrations along the Maine coast. Shorter coverage windows work well for elopements, capturing the ceremony and key moments without the scale of a full traditional wedding. The Maine coastline offers a naturally scenic backdrop for couples choosing an elopement over a large event.

Annie Paige Photography | 59 State *Portland engagement and wedding photographers* St, Portland, ME 04101 | (207) 841-4333

Even in a smaller format, the same film-inspired, storytelling approach applies. Call (207) 841-4333 to plan an elopement photography session.
