What is Avia Masters?

Avia Masters is an arcade-style online casino game established by BGaming. Unlike standard slots where gamers just press "Spin" and wish for a matching payline, Avia Masters introduces an air travel style where gamers introduce an aircraft into the skies.

The goal seems basic: keep the plane flying as long as possible while collecting multipliers, preventing risks, and managing fuel levels. However, the higher the aircraft climbs up, the higher the threats-- and the more financially rewarding the possible real-money rewards end up being.

Core Gameplay Mechanics

Before betting hard-earned money, players must understand how the mechanics operate. The game counts on a Provably Fair algorithm, making sure total openness and randomness on each and every single flight.

1. **The Launch:** Players position their desired wager and struck the launch button, sending the airplane air-borne.
2. **Fuel and Multipliers:** As the aircraft rises, it burns fuel. Along the flight path, gamers encounter various multiplier boosters and perk stars that increase the total payout value.
3. **The Descent or Crash:** The flight needs to end either when the gamer picks to cash out safely or when the aircraft lacks fuel or encounters an obstacle. Timing is everything.
