What is Big Bass Crash Online?

At its core, **Big Bass Crash** is an online betting game based upon a rising multiplier curve. Unlike traditional slots where gamers spin reels and expect matching signs, a crash game includes a single character-- in this case, a friendly fisherman casting his internet into the water.

As the fisherman pulls his internet up, a multiplier starts to increase quickly from 1.00 x upward. The objective for the gamer is basic yet agonizingly tense: squander their payouts before the net breaks or the fish leaves (the "crash").
