- **The Split-Bet Strategy:** Utilize both betting panels. Set one panel to auto-cashout early at 2.00 x to secure the base bet, and let the second panel run freely to chase after greater multipliers (e.g., 10x+).
- **The Martingale System (Use with Caution):** Doubling the bet after every loss in an effort to recuperate previous deficits. *Note: This strategy needs a significant bankroll and can rapidly hit casino table limits.*
