The Four Bonus Rounds Explained through Demo Observation

When players see or play the Crazy Time demonstration, their primary objective must be to witness how the 4 bonus offer rounds operate. These mini-games are where the massive payouts (up to 500,000 x the bet) take place.

1. Coin Flip

- **Frequency:** 4 sections on the wheel.
- **How it works:** A coin with a red side and a blue side is flipped by an automated device. Each side is designated a random multiplier before the flip. Whichever side lands face-up wins the player that multiplier.

2. Pachinko

- **Frequency:** 2 sections on the wheel.
- **How it works:** Inspired by the traditional Japanese arcade game, a puck is dropped from the top of a board filled with pegs. The puck bounces down and lands in among a number of multiplier slots at the bottom, or in a "DOUBLE" slot, which doubles all multipliers on the board and activates another drop.

3. Cash Hunt

- **Frequency:** 2 sectors on the wheel.
- **How it works:** A giant screen shows 108 random multipliers concealed behind shooting gallery signs (such as a cactus, a target, or a constable's star). Gamers utilize an on-screen cannon to intend and shoot at one sign before time runs out, revealing their concealed multiplier.

4. Crazy Time

- **Frequency:** 1 section on the wheel.
- **How it works:** The ultimate perk round. Gamers are carried behind a giant red door into a vibrant, virtual world including an enormous 64-segment wheel. The gamer should pick among 3 flappers (Green, Blue, or Yellow). The wheel spins, and whatever multiplier the picked flapper points to is granted. If it arrive at "DOUBLE" or "TRIPLE," all multipliers on the wheel are multiplied accordingly, and the wheel spins again.

Why You Should Always Use the Crazy Time Demo First
