Understanding the Betting Layout

Before the wheel is spun, gamers have a limited time to place their chips on one or more of the 8 readily available wagering alternatives. These options represent the segments discovered on the 54-segment wheel.

The Number Bets

- **1:** Appears 21 times on the wheel. Pays 1:1.
- **2:** Appears 13 times on the wheel. Pays 2:1.
- **5:** Appears 7 times on the wheel. Pays 5:1.
- **10:** Appears 4 times on the wheel. Pays 10:1.

The Bonus Games

- **Cash Hunt:** Appears 2 times on the wheel.
- **Pachinko:** Appears 2 times on the wheel.

- **Coin Flip:** Appears 4 times on the wheel.
- **Crazy Time:** Appears 1 time on the wheel.

The Magic of the Top Slot

Above the main money wheel sits the **Top Slot**, a tiny two-reel slot maker that spins concurrently with the wheel.

1. **Reel 1** display screens one of the betting choices (a number or a benefit game).
2. **Reel 2** display screens a random multiplier (varying from 2x up to 50x).

If the horizontal line in the Top Slot aligns a bet with a multiplier, that multiplier applies to that specific outcome for the upcoming spin. If the primary wheel arrive on that outcome, any wins for that round are increased by the multiplier. If a bonus round is set off with a Top Slot multiplier attached, the beginning multipliers inside the bonus game are instantly increased by that figure.

Diving Into the Four Bonus Rounds

The true heart of Crazy Time depends on its four bonus games. Setting off among these rounds transports gamers from the primary studio into a special increased truth mini-game.

1. Coin Flip

The easiest of the bonus offer rounds. A coin with a red side and a blue side is flipped by a *Crazy Time Free Play* mechanical arm.

- Before the flip, random multipliers are appointed to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the taking part players.
- If the multipliers are low, a "Rescue Flip" can in some cases be activated, providing gamers another opportunity at higher benefits.

2. Cash Hunt

This reward game includes a huge screen displaying 108 random multipliers hidden behind shooting gallery signs (like a cactus, a target, or a duck).

- Players utilize an on-screen crosshair to aim and contend one symbol before the timer runs out.
- Once time ends, all signs reveal their concealed multipliers, and the gamer gets the multiplier behind their picked target. Every player gets to select their own area, meaning different gamers can win various quantities.

3. Pachinko

Influenced by the conventional Japanese arcade video game, Pachinko includes a glowing, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces randomly down through the pegs up until it lands in one of the multiplier zones at the bottom.
- If the puck arrive at a **"Double"** worth, all multipliers at the bottom of the board double, and the puck is dropped again, causing possibly huge payments.

4. Crazy Time

The ultimate benefit round takes gamers behind a red door into a surreal, whimsical virtual world including an enormous, 64-segment wheel.

- Players must choose one of 3 flappers: **Green, Blue, or Yellow**.
- The host spins the huge wheel.
- Whichever segment the picked flapper points to when the wheel stops is the reward awarded.
- The wheel includes **"Double"** and **"Triple"** sections. If a flapper lands on among these, all multipliers on the wheel double or triple, and the wheel is spun once again. This is where the game's legendary 20,000 x max multiplier can be achieved.

Strategies and Tips for Playing Crazy Time

While Crazy Time is fundamentally a game of chance figured out by a random number generator (RNG) and physical physics, players typically use specific strategies to manage their bankroll and customize their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus greatly on banking on **1** and **2**.
 - These numbers occupy most of the wheel, implying they hit frequently.
 - This technique will not yield overnight fortunes, but it extends playtime and keeps the bankroll relatively stable.
- **The Bonus Hunter Strategy:**
 - Place small bets exclusively on the 4 bonus rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Since reward rounds appear on just 9 out of the 54 segments, this technique needs patience and a resistant bankroll, as droughts can happen. However, it positions the player to catch the greatest payments when the benefits hit.
- **The Balanced Approach:**
 - Cover a mix of numbers and reward rounds. For instance, placing small bets on numbers to keep your balance while betting on particular benefit games to keep the excitement alive.

Finest Practices for Bankroll Management

- **Set a Budget:** Decide just how much you want to spend before you begin playing, and never ever chase losses.
- **Comprehend the RTP:** Keep in mind that number bets usually provide a higher RTP than benefit bets, however reward bets offer significantly greater volatility and optimum win potential.
- **Delight in the Entertainment:** Crazy Time is a live home entertainment show firstly. Treat any wagers as the cost of admission for an interactive show.
