

Summer brings long days and reliable weather to coastal Maine, making it one of the busiest wedding seasons for Annie Paige Photography. Extended daylight hours give more flexibility for golden hour portraits without cutting into reception time. Popular summer dates tend to book early, so couples planning a summer wedding should reach out well ahead of time.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Maine's summer scenery, from the coastline to inland lakes, offers plenty of variety for outdoor wedding photography. Call (207) **Portland wedding photo pricing** 841-4333 to check summer date availability.
