The Four Exciting Bonus Games Explained

The primary tourist attraction of the Crazy Time demo experience is witnessing or taking part in the 4 distinct bonus offer rounds. Each uses a completely different gameplay mechanic.

1. Coin Flip

The simplest of the reward rounds. A coin with a red side and a blue side is flipped by a device. Each side is appointed a random multiplier before the flip. Whichever side lands face up awards the player that multiplier.

2. Money Hunt

A shooting gallery style perk game where gamers exist with a massive screen including 108 random multipliers hidden behind different signs (such as <https://bitz.io/games/crazy-time> a cactus, target, or chef hat). Players goal and fire a virtual cannon at their picked sign to expose their prize.

3. Pachinko

Motivated by the standard Japanese arcade video game, a glowing puck is dropped from the top of a large Pachinko wall filled with pegs. The puck bounces down up until it lands in one of the multiplier zones at the bottom. If it strikes a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The ultimate reward round. Gamers go into a lively, surreal virtual world behind a red door, including an enormous giant wheel with 3 flappers (green, blue, and yellow). Players pick their flapper, the wheel is spun, and whatever multiplier it arrive at is awarded. Landing on a "Double" or "Triple" increases all multipliers on the wheel for another spin.
