1. **A Bet Spot:** One of the wheel numbers or benefit games.
2. **A Multiplier:** A multiplier value ranging from 2x as much as 50x.

If the main wheel stops on the specific bet area that aligns with the Top Slot's selection, the multiplier is used to that win. For standard numbers, the payment is increased. For bonus offer rounds, the multipliers apply to the preliminary worths inside the bonus offer video game, setting the phase for possibly massive payments.
